Dear MEMO friends,

Winter 2025

We have had another very encouraging year. Thank you for being partners in the Gospel with us through all of your prayers and support. To show our appreciation we have a special offer for you below.

Our social media posters interrupt people like...

- Pete who was sitting on his bed feeling really low.
- Daisy who was struggling with her marriage.
- Ian who was wondering if there really was a God.
- Sue who was struggling with an addiction.

These people see our images on social media, pause to read and then are challenged to click the image to find out more about what Jesus says to them and their situation.

MEMO has become a really important springboard that God is using, to speak to people as they scroll and then catapult them along their spiritual journey to Chatnow.org where they can find out more and chat with someone.

Already this year

3.4 million views of our posters

6,400 views for every £10 spent

33,400 click to go to Chatnow.org

63 people for every £10 spent

The same £10 produced all of the above

6,400 views AND 63 visits to Chatnow!

New Trustee?

We are looking for a few new trustees to join our MEMO team. If you are inspired by what we do and would like to be involved please contact us.

As a way of saying thank you for your partnership in the work of MEMO over many years of prayers and financial support, we would like to offer you online posters, similar to the ones below, to be specifically targeted on social media in your area - on Facebook and Instagram. If this is something that is of interest to you please send us an email telling us a little about how you first came across MEMO (but only if you can remember!) and most importantly where you would like the online posters targeted.

All of our posters contain some of the words of scripture and an encouragement for the person to click on the image to find how Jesus can help. This takes them to the Chatnow.org website where they can find out information about Jesus and privately live chat with a Christian.

People are responding to these posts on social media. Would you like to see similar ones targeted at people in your area?
